Hyun-woo Choi

hyunwoo.choi@example.com | Seoul, South Korea

Summary

Machine learning engineer with 6 years of experience, most recently working with PyTorch, Deep Learning, Kubernetes.

Skills

C++, CUDA, PyTorch, Computer Vision, Deep Learning, Kubernetes, MLOps

Experience

Senior Machine Learning Engineer, Arclight Mobility

Nov 2023 - Present

- Improved ranking quality (nDCG@10) by 30% with a retrained PyTorch model.
- Mentored 3 engineers on experiment design and model evaluation.
- Trained and deployed PyTorch models serving 40k predictions a day.

Machine Learning Engineer, Saffron Commerce

May 2020 - Oct 2023

- Mentored 3 engineers on experiment design and model evaluation.
- Productionised models with PyTorch and Computer Vision, with offline and online evaluation.

Education

M.Sc. in Machine Learning, University of Seoul, 2020
